

Five Little Turkeys

Five Little Turkeys were standing by a door;
One saw some corn, and then there were four.

Four little turkeys flew up in a tree;
One fell down and then there were three.

Three little turkeys gobbled as they do;
A dog chased one and then there were two.

Two little turkeys strutting in the sun;
The wind came along and then there was one.

One little turkey saw a farmer with an ax;
look at that turkey run! run! run!
