

Jack-O-Lantern

I am a pumpkin, big and round.

(Make a large circle with arms)

Once upon a time I grew on the ground.

(Point to ground)

Now I have a mouth, two eyes, a nose.

(Point to each feature on your face)

What are they for, do you suppose?

(Finger at temple - thinking)

When I have a candle inside shining bright,

(Hold up forefinger)

I'll be a jack-o-lantern on Halloween night.

(Thumbs in armpits - boastful)
